**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who was very dissatisfied with my options for internet provided by cable (Comcast). Their customer service and support were terrible and the internet was always slowing down with no explanation. I went with Sonic because they provide superior service at an affordable rate. I have been very happy and urge you to maintain your support of a competitive internet marketplace.

Sonic also provides me with phone service for a competitive rate and I am happy with their service in this capacity as well.

Thank you for your time.
